Happy New Year from Razoo!

We have a lot to celebrate from 2009 and a lot more to look forward to in 2010. Thank you for being a part of the Razoo community by giving and encouraging others to support worthy causes.

Thank You for a Great 2009!

In all, more than \$16 million was raised for nearly 5,000 charities in 2009 — thanks to generous people like you! And because Razoo's foundation partners covered the 4.75% in online transaction fees, all of those funds went straight to the charities.

When all was said and done, some \$800,000 dollars reached nonprofits that would have otherwise gone to pay credit card processing fees.

Your energy during our March Goodness resulted in **\$180,000 for your favorite causes** during the month of March. Thank you for all you did to raise funds and awareness for many nonprofits throughout the month.

On November 17, **we broke the one-day online community fundraising record** on Give to the Max Day in partnership with GiveMN.org. Thank you to everyone who participated with such energy to make this an event for the record books and a day that infused Minnesota charities with new gifts to keep going during these hard times. We hope it was as much fun for you as it was for us!
